## Lavender Chang's Solo Exhibition Opens 29 October 2019 at Art Porters Gallery

**Singapore, Oct 2019** – Art Porters Gallery presents award-winning conceptual artist-photographer Lavender Chang's solo exhibition *Floating Rays of a Wanderer*.

*Floating Rays of a Wanderer* is a series of work akin to tracing the journey of strangers, attempting to sense their destination, mapping their journey over a long duration of exposure via public transport. The images were captured from a public bus with their fixated route, continuously recording the various landscapes brought in front of the lens field of view, compressing the duration into one singular frame.

**Lavender Chang (b.1983, Taiwan/Singapore)**

Lavender Chang's focus lies in conceptual photography. Lavender's artwork is a reflection of the sensitivity towards the subtle nuances surrounding her. She hopes to focus on these experiences, to create a canvas allowing further contemplation and letting the passage of time to leave behind traces of her mortality. Chang's works have been exhibited at the International Orange Photo Festival, China in 2010, the Kuala Lumpur International Photo Awards in 2011, Singapore Art Museum and Sundaram Tagore Gallery New York in 2014.

In 2016, she had her solo exhibition at Alliance Française de Singapour, exhibited at Mizuma Gallery and The Singapore Art Show. In 2017, she had exhibitions at The Arts House and ADM Gallery in Singapore and Gajah Gallery in Yogyakarta. Her most recent shows include exhibitions at Objectifs - Center for Photography and Film, the 10th anniversary exhibition of ION Arts' Young Talent Programme, YTP REUNITE during Singapore Art Week 2019, and an upcoming solo exhibition commissioned by Alliance Française de Singapour for its 70th anniversary on 15 October 2019 .

In 2011, she was the recipient of the Gold award at The Crowbar Awards, Singapore, and was the winner of the Noise Singapore Prize. Chang was one of the winners for 2012/2013 Affordable Art Fair's Young Talent Programme. In 2013, she held her winner's solo show in ION Art Gallery, Singapore. In 2015, she won 6th France+ Singapore Photographic Art Awards. In 2016, her collaboration with &LARRY won the President Design Award's Design of the year. In 2018, her cinematography work for John Clang's debut feature film, *Their Remaining Journey*, which premiered at the 2018 International Film Festival Rotterdam and garnered a nomination for the festival's Bright Future Award. It is also the opening film for National Gallery Singapore's Painting with Light: Festival of International Films on Art.

*I discovered Lavender's fascinating creative process while posing for one of her portraits for her other solo exhibition "Diverse Oneness", at Alliance Française de Singapour for their 70th anniversary celebration. Her process with light painting is captivating and the result is mesmerising. — Guillaume Levy-Lambert, Co-founder Art Porters Gallery*
